P.S. I have been asked if there are any photos of the two windows in St. George's Church at Halton supplied by the 95th Entry. (Two windows? Yes! The 95th suggested and funded the cross at the pinnacle of the windows in the church as well as suggesting that Lord Trenchard should be in the middle of his "Brats" rather than have our window displaced and discarded. Well done young Alf.

Photos taken from ground level have a parallax distortion due to the angle. A chap in 75th Entry has done a tremendous job photographing the windows. Have a look at this link, <http://7t5.co.uk/Church%20Windows%20page.htm>

Thank you the 75th for a great job. Dusty Miller 95th.
